Göbeklitepe Ziyaretçi Merkezi

2015 - Ziyaretçi Merkezi

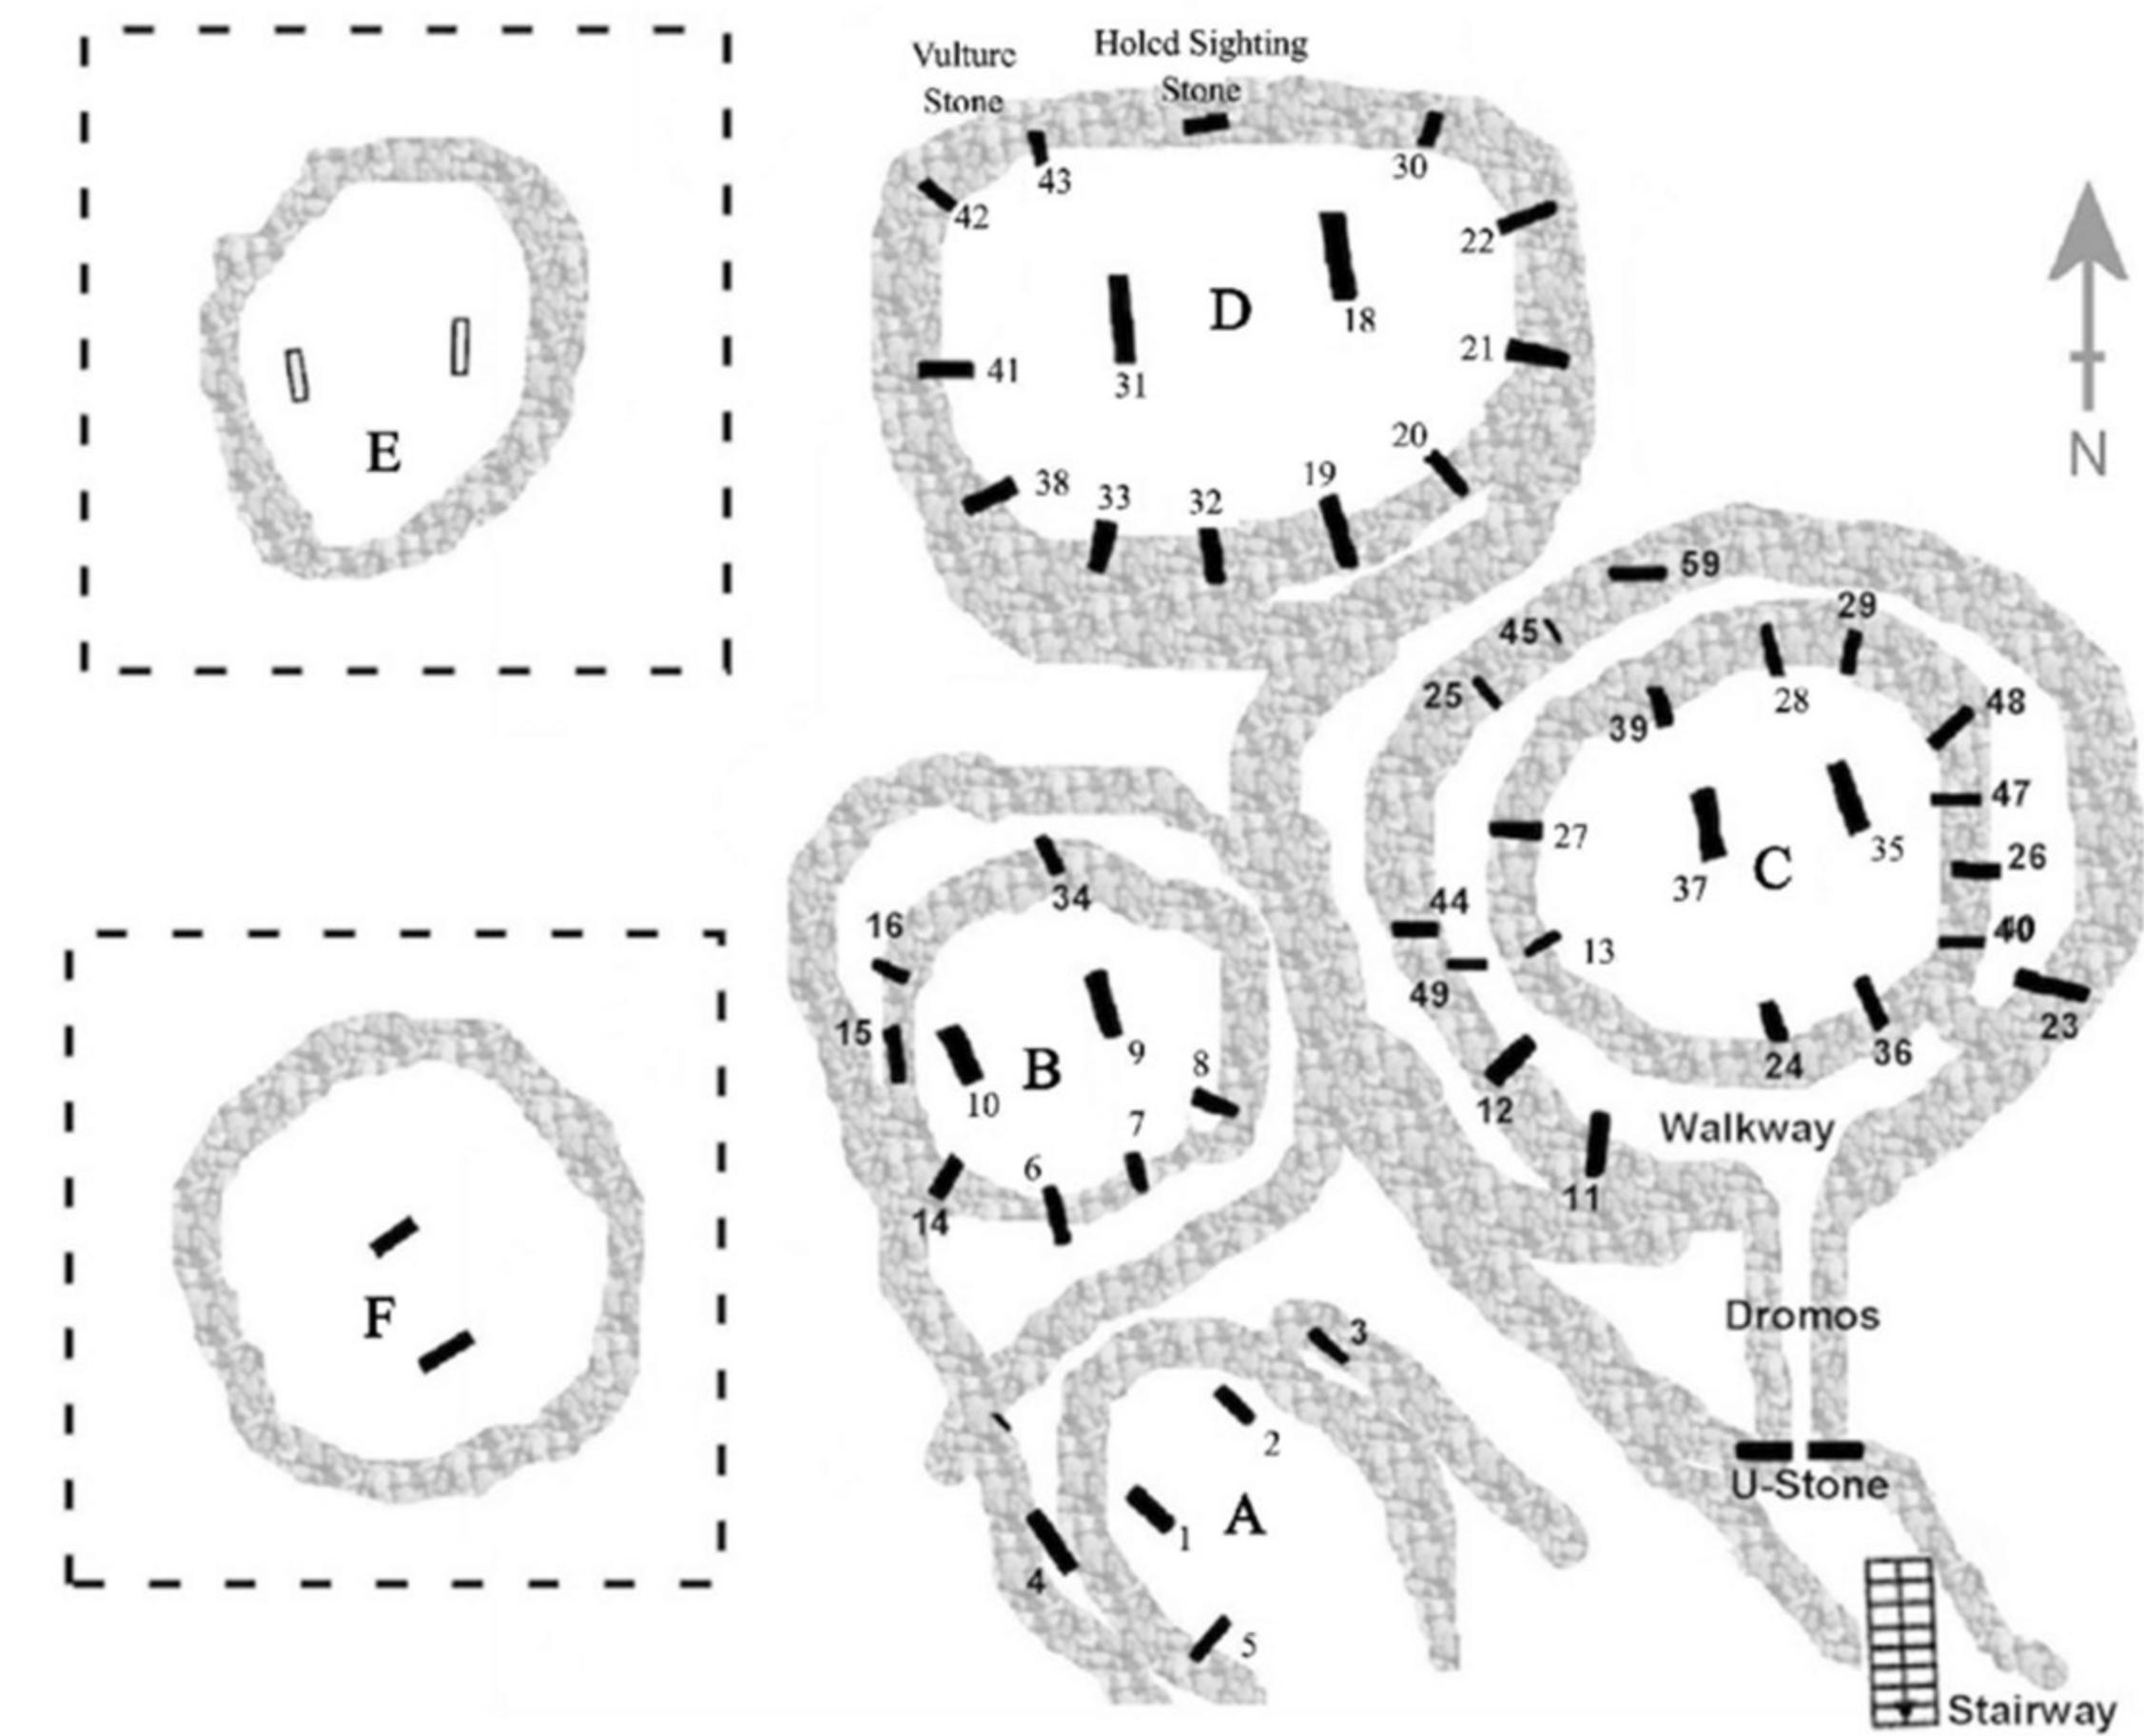

100 m

The map shows a satellite view of the Göbeklitepe area. In the lower-left foreground, there is a cluster of buildings labeled "Ziyaretçi Merkezi" (Visitor Center) and "Sergileme Merkezi" (Museum Center). A road leads from these buildings towards the center of the image, where the Göbeklitepe structures are visible. The terrain is hilly and arid, with some agricultural fields and roads.
